

**DREAMAUTHENTICS LAUNCHES NEW EXCALIBUR EXTREME HD™ ARCADE  
CABINET WITH BUILT IN PC FOR A CUSTOMIZABLE RETRO VIDEO ARCADE EXPERIENCE**

*Play Classic Arcade Games and Thousands of PC Games with  
the New DreamAuthentic.com Excalibur EXTREME HD*

**(INDIANAPOLIS, IN —April 16, 2013)** DreamAuthentic.com, a leading manufacturer of custom built Personal Video Arcade cabinets, announces today the launch of the Excalibur EXTREME HD video arcade cabinet to consumers. The Excalibur EXTREME HD is an upright arcade cabinet that is completely customizable both inside and out, with a powerful built-in PC that can play thousands of classic arcade and modern games through software emulators.

DreamAuthentic custom makes each Excalibur EXTREME HD cabinet for the individual consumer. With custom options from the monitor, full cabinet artwork to the joysticks, buttons and trackball the multi-player Excalibur HD provides the ultimate gaming experience. The Excalibur comes fully built and ready to play with a brand new, custom PC gaming engine, a 32" HD LCD Flat Screen monitor and an arcade audio system with subwoofer.

"For over 10 years the Excalibur has been our top selling flagship arcade cabinet that has rave reviews worldwide media and our customers because of the style, price and functionality," said Rick Barretto of DreamAuthentic. "The Excalibur EXTREME HD harnesses a combination of the most up-to-date retro gaming software applications and blends them with a new, larger control panel in an awesome retro arcade cabinet that utilizes a HD Flat Screen monitor which is the latest in arcade gaming technology."

The Excalibur EXTREME HD comes with a custom computer platform that can play any PC based video games, from your favorite arcade classic to latest PC game titles. In addition to all of the standard hardware, the Excalibur EXTREME HD can play Movie DVDs and MP3 audio files from a simple, interface, and has a hookup for cable and internet access. Each cabinet is fully compatible with all PC-based games and can also be connected to XBOX™ and Playstation™.

The Excalibur Extreme HD has retail price that ranges from \$1,995 to \$3,995 depending on customization options. For additional information, custom bundle pricing, discount coupon codes and product specifications, visit [www.DreamAuthentic.com](http://www.DreamAuthentic.com) or call 800.789.8424.
